

Grant Given Lake For Advertising Through Brochure

Changes In By-laws Made To Meet Requirement For Allocation

MEEKS BAY—The first substantial grant to a Lake Tahoe organization working toward the betterment of the entire lake area was made this week by the Nevada-California Lake Tahoe Association during a directors meeting of the Lake Tahoe-Sierra Chamber of Commerce at Meeks Bay Resort Monday night.

Association President Joseph F. McDonald, retired newspaper publisher, announced that his organization would pay up to \$7500 toward publishing and distributing the chamber of commerce illustrated brochure and map in order to give the chamber more time and money to work on other matters of importance to the region.

Announcement of the grant culminates several months of intensive planning by the chamber of commerce, numerous meetings with McDonald and many meetings with organizations in the lake area. In order to qualify for the grant the board of directors had broadened their objectives and had voted to recommend to the membership several changes in the by-laws designed to make the chamber of commerce more representative of the entire area.

These recommended changes, worked out by President Fred Shultz and the by-laws committee provide that directors be elected from each of 20 "post office areas" along with representatives from any other organization which has elected a representative to the chamber. This, it is hoped, will guarantee that the organization would not degenerate into a sectional pressure group, or a partisan of any particular commercial interest.

Directors voted to support legislation in California aimed at giving the Interstate Water Compact Commission power to make a broad, all-inclusive survey of the Lake Tahoe basin. This legislation has been passed by the Nevada legislature and has been recommended to the California legislature by the compact commission and by the Lake Tahoe Association but at the moment backers are awaiting word from individuals and groups in the area indicating whether it is felt desirable or not.

McDonald urged that organizations and individuals who had opinions on this matter contact the county boards of supervisors in El Dorado and Placer counties and Senators Harold Johnson of Roseville and Swift Berry of Placerville giving their ideas.

COUNTY OFFICIALS GET PAY INCREASES

SACRAMENTO — (CNS) The assembly voted 62-0 Wednesday for a bill to increase salaries of Nevada county officials.

Under the bill, AB173 by Assemblyman Francis C. Lindsay of Loomis, the auditor would be increased from \$2,400 to \$4,800; the district attorney from \$6,000 to \$12,000; and the board of supervisors from \$3,000 to \$4,800.

The bill now goes to the senate.

MAYFIELD, MARTIN ELECTED AT TAHOE

TAHOE CITY — Incumbent N. R. Mayfield and James Martin were elected to the board of directors of the Tahoe Public Utility District. A proposal to increase the number of directors from three to five was approved 38-3.

Mayfield polled 38 votes, Martin 34 to defeat R. E. Jorgensen who had 27.

POT LUCK SUPPER FOR DONNER DANCERS

The Donner Dancers will hold their pot-luck supper dance for May tomorrow evening in the Veterans' Building. Supper will be served at 7 and will be followed by an evening of square and round dancing.

Visitors from many clubs dropped in on the Tahoe Twirlers' party in Kings Beach last Saturday night. Darol and Marian McGibbon, Carroll and Winnie Maynard, Wilbur and Ava Glenn, Joe and Shirley Straub, John and Claire Patterson and Roger Stinchfield attended from the Truckee group. McGibbon was one of the guest callers.

CUBS VISIT PLANT

Members of Cub Scout Pack 7, Den 4, enjoyed a visit to the Sierra Sun plant last Friday and saw how the newspaper is prepared. The group included Jimmy Roth, Bruce Strickler, Daryl Breakfield, Garry Sturcke, Eddie King, David Sorla, Steve Davis and Greg York.

From South—

Mr. and Mrs. John Thompson have returned from Los Angeles and have opened their home in the woods at Donner Lake for the summer.

Truck Driver First Victim Of Mishap On New Highway

The first major accident on the highway construction project between Floriston and the Nevada state line sent Clyde F. Buechner, 35, Sparks, to the Tahoe Forest Hospital with major internal injuries.

Buechner, who is employed as a dump truck driver, was backing his heavy vehicle up to dump a load of rocks and dirt when he apparently misjudged the distance and backed too far. He lost control as the truck plunged over the bank, pinning the driver underneath.

The victim was rushed to the hospital by Truckee ambulance.

Sgt. Frank Snyder was near the scene of the accident and made the investigation assisted by Patrolman T. F. Sheehan.

Buechner was employed by Gibbons & Reed, project contractors, who have an office at Sparks.

Pre-registration Of Children Is Slated

Pre-registration of all children who will be entering school for the first time next fall in the Tahoe-Truckee Unified School District will be held next week in the elementary schools. The schedule is as follows:

Donner Trail—May 14 at 10:30 a.m.

Kings Beach—May 17 at 10:30 a.m.

Tahoe Lake—May 15 at 10:30 a.m.

Truckee—May 13 at 1 p.m.

This procedure will alleviate the confusion of activities normally accompanying the opening exercises of the first day of school in September and enables the school personnel to be prepared for a specific number of pupils. Superintendent John Corbin explained.

Children entering the kindergarten must be no less than four years and nine months of age, or whose birthdate is not after December 2, 1952. Similarly, children entering the first grade must be no less than five years and nine months of age, or whose birthdate is not subsequent to December 2, 1951, Corbin said.

Verification of birth must be presented at the time of registration. This must be in the form of a birth certificate, baptismal record, hospital record, or a notarized affidavit from the parent in lieu of the aforementioned evidence. This proof is required by the state law, Corbin said.

NO CURTAILMENT OF MAIL AT TAHOE CITY

TAHOE CITY — The curtailment of Sunday and holiday service at Truckee and Lake Tahoe post offices does not apply to the Tahoe City post office. Postmaster Ollie Corona declared.

Mail will be received, distributed to post office boxes, and dispatched according to existing schedules on Sundays and holidays as on week days, Corona said.

STICES ATTEND MEET OF RAIL OFFICIALS

E. K. Stice, Southern Pacific agent at Truckee and Mrs. Stice were among the 120 Southern Pacific representatives from seven western states meeting Tuesday and Wednesday in Palo Alto for the sixth annual conference of station supervisors and freight agents.

The purpose of the program was to discuss the railroad agent's important place in his community in the field of sales, public relations and service.

KASPIAN NAMED TO HEAD FUND DRIVE

George Kaspien will be general chairman of the Red Cross fund drive to be held this month. The selection was made at a meeting of the local board on Tuesday evening in the high school.

Mrs. Fred Pedley said that a large thermometer indicating the set quota, will be placed on the outside of the Sierra Sun office where day by day progress may be noted.

The group will meet Friday evening, May 10 in the high school when the starting date and other decisions will take place.

Committee heads and their fellow workers expect to bring the fund drive to a fast and successful conclusion.

Kaspien Elected On Utility Board; Increase Is Voted

Five-man Board Approved At Local Election On Tuesday

George Kaspien, retired Truckee lumberman, Tuesday was elected a director of the Truckee Public Utility District, defeating Karl K. Kielhofer by a vote of 81 to 60.

At the same time, voters of the district approved a proposition to increase the number of directors at large on the board from three to five by a vote of 103 to 20.

Kaspien will succeed Charles R. Heller, present head of the board, who declined to be a candidate for reelection, at the first meeting in June.

Prior to July 1, the board will appoint two additional members to make it a five-man group.

Three Fires Are Started In District

Henry Toccalini, forest service dispatcher, is currently giving his annual warning concerning the extreme dryness in the woods, for this season, citing the fact that three potentially serious blazes were fortunately nipped in the bud.

All three have been man-set, the first on April 29, occurred across Highway 89, apparently one of three previously started by the same culprit. The second covered a quarter of an acre near the Art Lindauer place at Donner Lake, reported in this week's Sierra Sun.

Harker Bros. employees were credited with putting out a sawdust fire set by a careless smoker, Monday at the old Winnie Smith Mill site, located on the old Reno highway, on the Nevada, Sierra County line.

BUDGET DISCUSSION WILL OCCUPY BOARD

A discussion of the preliminary budget for the coming year will feature a meeting of the governing board of the Tahoe-Truckee Unified District Tuesday evening at the high school.

Other matters scheduled on the agenda are a review of expenditure, a discussion of revisions for both certificated and non-certificated schedules, extra pay for coaching and a recommendation increasing substitute pay.

The possibility of buying a new bus will also be discussed and the summer swim program reviewed. Resignations have been received from Frank Ratliff, high school teacher, and bus drivers, Wilbur Newall and John Rael.

20-30 CLUBBERS GO TO LAS VEGAS MEET

Members of the 20-30 Club of Truckee visited the Las Vegas Club on April 27 and 28, leaving Friday and returning after dinner Saturday.

Mr. and Mrs. Richard Roberts and Ken Gordon took their boats to enjoy the water skiing in the area.

Others making the trip included James Morhain, H. L. Owens, William Curran and Hal Welch.

FIRE IN PINE NEEDLES THREATENS DWELLING

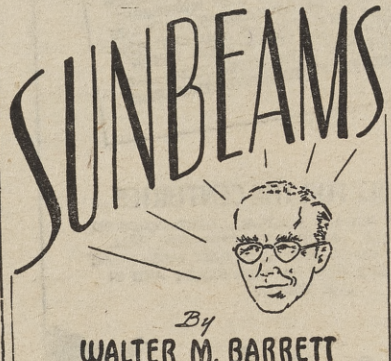

The forest service and Truckee Fire Department equipment responded to a call from the Donner Lake area Sunday afternoon when a fire in the dry pine needles threatened homes in the rear of the Art Lindauer place. A small boy playing with matches was blamed for the near disastrous fire. The equipment prevented spread of the flames.

Learns Of Death

Mrs. Russ Probasco received word last week that her niece, Patsy Carlson, age 16 years, died in Sacramento, May 1.

The deceased is survived by her mother, Mrs. Susan Williams, sister of Mrs. Probasco and also leaves two brothers, Max Carlson of Sacramento and Arthur Carlson of Reno.

Mr. and Mrs. Lloyd Everett celebrated their wedding anniversary and her birthdate last week.

WALTER M. BARRETT

Voters of the Tahoe-Truckee Unified School District on May 17 will be called upon to decide whether or not the school facilities in the district shall be enlarged to care for the present and anticipated increase in enrollment. The amount of money required is large, but spread over a district with an assessed valuation of more than \$22,745,000, it will require an additional tax of only 55 cents per \$100 of this assessment. School authorities have agreed that only enough of the bonds will be sold to care for immediate needs, the balance being held in reserve for future expansion. This, we believe, is a sensible plan and should eliminate the necessity for future bond elections for years to come. We are advised authoritatively that the need for enlarged facilities is urgent at the present time and if the communities continue to grow during the next five years as fast as during the past five, our schools will be in a pitiful condition unless steps are taken immediately to provide more classrooms. The one big argument in favor of the enlargement of facilities is the fact that seventh and eighth grade pupils will be returned to their respective home schools. Putting these youngsters in the high school, in our opinion, is a mistake, and if for no other reason, we feel that this feature alone will more than justify a "yes" vote at the election. Regardless of how you feel on the subject, take time out on May 17 and vote. We suggest a "yes" vote, but if you believe otherwise vote "no" but by all means let's make this a representative election.

MRS. THATCHER TO CONTINUE LITTLE INSURANCE HERE

Mrs. Gertrude Thatcher today announced that she will continue to operate the real estate and insurance business of the late R. N. Little. Although not currently a licensed broker, Mrs. Thatcher is being granted a certificate of convenience which permits her to continue to operate as an individual. Mrs. Thatcher expressed her appreciation for the patronage which has continued during the illness of Little and invited continued patronage.

Mrs. Roanne George, daughter of the late prominent local man, has arrived here and announced that it was her father's wish that Mrs. Thatcher continue the business.

SPEAKER PRESENTED WITH HUGE TROUT

Seventy members and guests of Truckee Rotary Club were present at Donner Summit Lodge last Monday evening at the 8th annual tri-city meeting with Grass Valley and Nevada City Clubs.

Dinner preceded a talk by Alan Bartholomew of San Francisco who spoke on the 1960 Winter Olympic games at Squaw Valley.

The speaker was presented with a 27-pound trout caught in Donner Lake by Charles Osburn of Truckee.

Fined as Drunks

Lester H. Lewis, San Diego was sentenced to serve seven days in jail and Cleo Dea Allen, Yuba City, paid a \$15 fine when they appeared before Judge F. W. Wilson on charges of being drunk. The two men were arrested by Deputy Sheriff Emery Lander.

Chimney Fire—

The Truckee Volunteer Fire Department responded Wednesday morning to a call at the Davis house on East River street. Chief N. F. Dolley reported that no damage was caused by the over-heated chimney.

Landry Has Operation—

Louis Landry, Sr., of San Bernardino, underwent a serious operation at Alameda recently and according to Louis Landry, Jr., his father has been doing well.

Progressing—

Mrs. Robert Leamon, who underwent surgery Wednesday morning, is progressing toward recovery.

Olympics Bill Gets Senate O. K.; Now Goes to Assembly

Assembly Group Will Visit Site Of Games At Squaw Valley

Assembly Speaker Luther H. Lincoln of Oakland, yesterday stepped into the controversy on the Squaw Valley Olympics and requested the California Olympic Commission, the Organizing Committee and the Assembly Planning to meet jointly in Squaw Valley May 19 to inspect the site. Two days later, on May 21 the bill would be considered.

The Johnson bill aimed at breaking deadlocked negotiations over land to be acquired for the 1960 Winter Olympics at Squaw Valley sailed through the senate Tuesday. The vote was 20 to 2.

The measure adds \$3 million to the \$5 million previously appropriated for staging the games and gives State Director of Finance John M. Pierce broad powers to condemn needed private lands.

The eminent domain authority covers 200 acres of land. The commission says the acreage is necessary for parking facilities, sewage disposal, flood control and a ski jump outrun for the games and for permanent recreational facility.

Senator Harold T. Johnson, author of the bill, told the senate he feels the condemnation authority, which expires at the end of this year, is vital, although he believes it will not be necessary to actually use it.

He said the plan is to turn the Squaw Valley site over to the state park commission after the games. "It will be a year-round recreational area and probably will be the most self-sustaining park in the state park system," Johnson declared.

That statement was challenged by Senator John J. Hollister.

"The state operates its park system at an 80 percent loss," Hollister said. "How can the state expect to get this money back?"

Hollister also opposed the condemnation feature. He was joined by Senator John A. Murdy in voting against the bill.

The measure, backed by Gov. Goodwin J. Knight, now goes to the assembly where criticism already has been expressed by a number of members, mainly from southern California.

CSEA LADIES NIGHT SET FOR SATURDAY

Donner Chapter, California State Employees Association, will hold its annual ladies' night this coming Saturday at Smart's restaurant, according to President Hess Cardinal.

Dancing will start at 8 o'clock. A smorgasbord supper will be available throughout the latter part of the evening. The arrangements committee announces they plan favors or corsages for the ladies.

Tickets are still available from members of the committee who include Cardinal, Tom Sheehan, Ray Fudge, Roger Stinchfield, Francis Snyder, and John Patterson.

TABLE TENNIS MATCH STARTED AT SCHOOL

Jim Brehler, director of athletics of Tahoe-Truckee high announced May 8, as the starting date of an action-packed table tennis tournament to be held at the high school.

Over 75 table tennis enthusiasts are expected to enter this year's competition for the Harvard Table Tennis Gold Medals which are awarded to the winner of the men's singles.

The local tournament is part of a nation-wide program to locate and reward outstanding table tennis players.

Rummage Sale

The W.C.S.C. will hold a rummage sale May 21, 22, and 23 in the Methodist Church building and any one having usable, clean articles suitable for the sale are asked to contact Mrs. Ben King at LU 7-3114 or Mrs. Jack Ellis at LU 7-3039.

Ellis Guest—

Mrs. Richard George is a houseguest of Mr. and Mrs. Jack Ellis while transacting business concerning her late father, R. N. Little.

125,000 Volts Pass Through Worker In Cisco Accident

Gerald Sawcett, 59, employed by the forest service in the Big Bend district, suffered major burns over most of his body and is in a critical condition at the Tahoe Forest Hospital as a result of an accident near Cisco Tuesday.

Sawcett, a resident of Bakersfield was working near a crane when the steel portion came in contact with a 125,000 volt electric line of the P. G. & E. The operator of the crane was not injured as the cab was insulated, but Sawcett, standing nearby with a bar in his hand received the full impact.

Mrs. Sawcett arrived Wednesday to be with her husband who is on the critical list at the hospital.

The impact of the shock was reflected in a momentary disruption of power in this area Tuesday afternoon.

Bank of America Buys Tahoe Bonds

KINGS BEACH — The \$200,000 worth of North Tahoe Public Utility District Sewer Bonds for 1957 were purchased Tuesday by Bank of America, N.T. & S.A., at an average interest rate of 4.88 per cent, the lowest of the four bids considered by the board of directors.

The bids ranged from the bank's 4.88 to a high of 5.49 per cent, Manager Lee Apple of the Truckee branch, said.

The Bank of America purchase will result in a savings of approximately \$15,000 to the district on the sale of the bonds. The second lowest bidder was J. B. Hanauer & Co. of Beverly Hills who had 5.24 per cent.

The money from the sale of the bonds will be used to improve and expand sewer facilities in the Kings Beach area.

AWARD GRANTED IN LOCAL INJURY SUIT

An award of \$15,000 general damages plus \$5307 for medical bills was given last week to Gladys I. and M. F. Dolley of Truckee for injuries sustained in a fall down stairs in the St. Louis Cafe in Truckee. Defendants were Harold Welch et al.

The award was made to Mrs. Dolley for the general damages and to Dolley for bills incurred and paid by him for Mrs. Dolley's treatment.

An original figure of \$50,000 requested was lowered during the trial, which lasted five days in Nevada County Superior Court. The jury then cut this in half.

OLD HIGH SCHOOL TO BE TAKEN BY STATE

Disposition by the governing board of the old high school property on the hill back of Truckee has been nicely taken care of and without much effort from the board.

Superintendent John Corbin announced that the realignment of U. S. Highway 40 through Truckee will put the old building, condemned for future school use, right in the center of the proposed right-of-way.

Negotiations with the state for reimbursement for the property and building are pending.

OLYMPIC GROUP TO MEET ON TUESDAY

A meeting of the California Olympic Commission has been called by Chairman Charles R. Blyth for 2:30 p.m., Tuesday, May 14 in the State Building at San Francisco.

At that time the commission will consider alternatives presented by Mr. and Mrs. Wayne Poulsen for land required to stage the 1960 Winter Olympics at Squaw Valley.

Three issues are in doubt, the first being the location of a needed parking lot, the second a sewer disposal plant location and the third required area for a ski run-off at the foot of Popeoos Hill.

The commission hopes to avoid eminent domain procedure through an agreement with the Poulsens in obtaining the necessary 32 acres.

Attend Last Rites—

Mr. and Mrs. George Kaspien returned following funeral services Thursday at Chico where they were called by the fatal illness of Mrs. Kaspien's mother.

Delay On Highway Travel Starts As Blasting Is Begun

Schedule Posted On Signs To Give Motorists Open Hours

With heavy construction now under way on both U. S. 40 and U. S. 50 in the Sierra Nevada, necessitating periodic traffic delays, the California Division of Highways this week announced a definite schedule of open periods and restrictions which it expects to be in effect on the two major projects through the coming summer.

The first dynamite blast on the Floriston project was set off at 8:30 a.m. Tuesday, causing the first major traffic delay.

Both the 40 and 50 projects involve widening of existing highways along a narrow canyon where detours are not practical and where delays are unavoidable.

The work calls for dynamiting and excavating and public traffic must be kept clear of these operations for its own safety, Alan S. Hart, district highway engineer, explained. Accordingly the contractors have been allowed certain fixed periods in which traffic may be restricted, but are required to keep the roads open, subject only to incidental brief delays, at all other times.

Open Schedule

The weekday opening and closing schedules are as follows on U. S. 40—east of Truckee:

12 midnight to 8 a.m.—road open.
8 a.m. to 10 a.m.—road closed.
10 a.m. to 1 p.m.—road open.
1 p.m. to 3 p.m.—road closed.
3 p.m. to 6 p.m.—road open.
6 p.m. to 8 p.m.—road closed.
8 p.m. to 10 p.m.—road open.
10 p.m. to midnight—road closed.

This schedule is being posted on large signs erected along the route well in advance of the construction area. It will be in effect until September 30, 1957, after which date the contractor must leave the road open to traffic. Hart explained that the entire project is scheduled for completion in the fall of 1958, with provision made for a shutdown during the coming winter.

The Truckee Canyon job on U. S. 40 is being constructed by the California Division of Highways as a federal aid interstate program project. It will convert five miles of the present two-lane road through the canyon to a four-lane freeway, with a four-foot dividing strip.

FUND FROM IOT GOES TO LOCAL FIREMEN

The IOT Club of which the late R. N. Little was president has closed its books.

Reg Smart, the club's secretary, this week announced that the balance in the club's fund—\$53.06—has been withdrawn from the bank and turned over to the Truckee Volunteer Fire Department as a small tribute to the president.

The IOT was a strictly a fun organization and was formed by Little.

HOT RODDERS MEET FOR CLUB PLANNING

The Hot Rod Club organization meeting will be held at 7:30 p.m. on May 14 in the Tahoe Truckee high school cafeteria. Highway Patrol Officer Les Kelly of Sacramento will be present to answer all questions and assist with plans.

All those interested who expect to be present at the meeting are asked to contact Mrs. Fred Pedley.

CHANGES ARE MADE IN STORE PERSONNEL

Mr. and Mrs. Harvey Hoeker have recently moved from Greenville to Arcata where he will be in charge of the Z Market.

Charles Smith who was formerly at the local Z Market is also scheduled to move to Arcata to be employed in the new store.

DAN SHEEHAN NOW WITH U. S. MARINES

Mr. and Mrs. Thomas Sheehan of Tahoe City this week had a cheerful letter from their son, Dan, who is in boot training in the U.S. Marine Corps at San Diego.

Dan graduated last year from Tahoe Truckee high school where he was a popular student. His friends are wishing him success in his current career.

RELATIVE OF LOCAL PEOPLE SUCCUMBS

Funeral services were held for Archibald Smart at Grand Prairie, Alberta, Canada, this week, following his sudden death at his home on Tuesday.

The deceased has visited here and locally known survivors are a daughter, Mrs. Douglas Barrett and four granddaughters of Sacramento, a brother, Ed Smart of Oakland and a nephew, Reg Smart of Truckee.

NEW COAST GUARD BOAT BEING MADE READY FOR TAHOE

TAHOE CITY — According to present plans the Lake Tahoe Coast Guard Auxiliary will have a first-class all-year, all-weather boat in service this summer to provide search and rescue services for the entire lake area.

Commander Kenneth Amundson of the Lake Tahoe Flotilla reported to a meeting of the group last week at Ski Run Lodge in Bijou that the 45-foot Revere, given to the Coast Guard by A. K. Bourne of Reno is on the ways at the Tahoe Boat Company in Tahoe City awaiting caulking and painting of the hull and the installation of a new motor.

Fred Main of the Tahoe Boat Company has begun the hull work in order to get the craft into the water. Work on the super-structure and on the power plant will be arranged for a later date.

An estimated \$2600 will be required, all from voluntary contributions, to complete renovation of the craft. When this work is completed, according to Main, the large craft will be capable of attaining speed of about 33 miles per hour due to the narrow 8-foot

beam and will be safe in any weather Lake Tahoe can provide.

When in service she will be on call for instant use in emergency, fully equipped with first aid and rescue equipment, and with a radio strong enough to reach other coast guard auxiliary sets on land and in other crafts.

In addition to the rescue work, the ship will be available to the regular United States Coast Guard for use in craft inspection and law enforcement on the lake.

Anyone interested in applying for membership in the auxiliary or in making a contribution toward re-furbishing the Revere is invited

Six Telephone Employees Rewarded For Bravery

Six Pacific Telephone employees have won \$100 awards for their roles in the daring rescues of six other men from near death last year.

The telephone workers were awarded silver vail medals, one of the Bell System's top honors to be given for unusual acts of bravery in the public service.

Five of the telephone men form a Pacific Telephone construction crew in Monterey.

They are John Mason, Jacob Bowen, Hall Lasiter, Joseph Oliveira and David Wages.

The five men treaded their way down a steep and precarious ocean side path and then carried to safety a sailor who had fallen from a cliff and lay helpless in a rocky cove below.

The sixth award winner is Robert Cleary, a switchboard repairman from Fort Bragg.

Cleary, along with two state park rangers, braved the treacherous breakers of a Fort Bragg beach to rescue five shipwrecked fishermen who were clinging to the jagged rocks about 800 yards from shore.

School Bond Election NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of Tahoe Truckee Unified School District of the County of Placer and Nevada, State of California, that in accordance with law, an election will be held on the 17th day of May, 1957, in said District, between the hours of 7 o'clock A. M. and 7 o'clock P. M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$1,700,000 Dollars, for the purpose of raising money for the following purposes:

- The purchasing of school lots.
- The building or purchasing of school buildings.
- The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
- The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- The supplying of school buildings with furniture or necessary apparatus of a permanent nature.
- The permanent improvement of the school grounds.
- The carrying out of projects or purposes authorized in Section 18010.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed 25 years from the date thereof or the date of such series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into five (5) Bond Election Precincts, numbered from 1 to 5 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

BOND ELECTION PRECINCT NO. 1

shall include all the area embraced in those portions of Placer County General Election Precincts of Cisco, Summit, Tahoe and Michigan Bluff and the Nevada County General Election Precinct of Soda Springs lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Donner Trail Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Lola Schull, Inspector.
Mrs. Dorothy Bacon, Judge.
Mrs. Betty Aro, Judge.

BOND ELECTION PRECINCT NO. 2

shall include all the area embraced in the Placer County General Election Precinct of Brockway lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Kings Beach Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Eda Judy, Inspector.

Mrs. Winona Hall, Judge.
Mrs. Nellie M. Barkhurst, Judge.
BOND ELECTION PRECINCT NO. 3

shall include all the area embraced in that portion of Nevada County General Election Precinct of Flors-ton lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at U. S. Post Office.

Officers of Election for said Bond Election Precinct:

Mrs. Margaret Craig, Inspector.
Mrs. Ruth Helman, Judge.
Mrs. Janice Hamilton, Judge.
BOND ELECTION PRECINCT NO. 4

shall include all the area embraced in the Placer County General Election Precinct of Tahoe lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Tahoe Lake Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Bernadette Becholt, Inspector.
Mrs. Beccy Shontz, Judge.
Mrs. Betty Staratt, Judge.
BOND ELECTION PRECINCT NO. 5

shall include all the area embraced in those portions of Nevada County General Election Precincts of

Donner Lake and Truckee lying within the Tahoe-Truckee Unified School District.

POLLING PLACE therein shall be at Truckee Elementary Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Lucile Bick, Inspector.
Mrs. Irene Englehart, Judge.
Mrs. Laura Horman, Judge.

Each qualified elector of said Tahoe - Truckee School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District shall meet on the seventh day after the election at its usual meeting place at 8 o'clock P.M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 5th day of March, 1957.

R. E. SMART
B. K. MILLER
HERBERT P. OBEXER
JACK FELTE
FRED M. PEDLEY

Members of the Governing Board of Tahoe-Truckee Unified School District, of Placer and Nevada County, California.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Nice Weather

I am one of those lucky people who just plain old like weather, no matter what it is doing, but these golden days are almost too much bonus. Even while enjoying every moment of them you cannot help but feel they are too good to last. Perhaps that is what gives that keen edge to their beauty. They surely cannot go on. And yet they do—all summer long, each one different from the day before but each so lovely.

Auto Toll

Words upon wheels are no longer after a short while and yet what can be done or said to cut the frightful accident toll which mounts up daily, even here, where you might think the desire to see would make cars slow down? There was another accident just this side of Dollar Hill Sunday. It was a one-

car accident, luckily, but obviously a matter of excessive speed. In science fiction stories the Morons of the Future are given luxury vehicles with all the noise of speed and an inner jet of wind while the actual speed is some safe 10 miles an hour. Is that the only direction our safety can take?

Open House

The open house at our Tahoe Lake school had the attendance it deserved last week. And the teachers have every right to be proud of themselves in the work their children had on display. The little program of Chinese music was delightful too. Mrs. Lillian Farr wanted it to be known that Mrs. Solweig Beavers had complete charge of the music. Mrs. Beavers arranged the music so that the strange oriental sounds were not too foreign to our ear and the enjoyment the children took in their performance added to our enjoyment. Practicing for this was not easy. As you know, every room including the auditorium, is in use each day for regular school work, yet the teachers helped all they could to give Mrs. Beavers opportunity to

practice with the children. The solos by Cathy Connors and Alexandra Cushing were lovely and Greg Moore and Pat Dempsey made convincing masked warriors. Everyone enjoyed the family portraits in Miss Bean's first grade and kindergarten room and the zoo animals (more family portraits?) in Mrs. Rauscher's fifth and sixth.

Cubs Meet

Friday all three of the cub dens met together on the Commons where Fire Chief Al Henry, Fireman Tony Donadio, and Forest Ranger Bill Schindler gave the boys a demonstration of fire safety and the uses of the fire truck. Then all the boys piled into Schindler's forest service pickup where they were taken to a site where Dave McBride was burning slash. The firetruck followed and each boy had a chance to hold the hose while spraying a brush fire. Cookies and coolade served by the den mothers, Mrs. Naomi Plew, Mrs. Joanne Marier, and Mrs. Naomi McLane, finished up a fine afternoon. The boys are very grateful to the men for their time and interest. Mrs. Chris Burner, den

chief, and Mrs. Charlie Neilsen, PTA president, came to help out, too.

Birthday Pox

Stephanie Snyder celebrated her ninth birthday by coming down with the chickenpox. Perhaps she can have a gayer time in the near future.

Starts Work

Mr. Hal Davis has started work in Jack and Dinty's Market this last week. Davis spent the winter at Donner Summit.

In Hospital

We are sorry to report that Bertha Tonini is in the hospital in Reno. She has been home for some little time since her long stay at Tahoe Forest but the seriousness of her condition makes the further hospitalization necessary. Fellow Rotarians of Bob Tonini are taking turns in donating blood for Mrs. Tonini.

Rotary Meets

Tahoe City Rotary met under the gavel of President Steve Korich at the Tahoe Inn. An unexpected guest of Bill Bechdolt, Sheriff William Scott, gave a most interesting and informative talk on the prob-

lems the future will bring to the people at the north end of the lake and how his office will try to help solve these problems as far as law enforcement is concerned. With the great influx of new people there will also be an upsurge in crime of one kind or another. A location for a land-based radio station is being investigated and Scott hopes to be able to increase the policing personnel to four men in the immediate future.

Rotarian George Selkirk, area manager of the Pacific Tel. and Tel., had invited members to inspect the new dial building at the close of the meeting. Selkirk, and Chester Branlept, chief switchman at the new building, explained the intricate mechanism of the dial system as well as the spacious offices on the second floor. The Tahoe City building is the hub of five other dial buildings which are at Homewood, Tallac, Kings Beach, Squaw Valley and Soda Springs on the Donner Summit. The lake area will go on dial on June 16.

On Mayflower

In the small—but wonderful

world department you will undoubtedly be interested to know that Jim Martin was a one-time maritime school fellow of Captain Von Villiers of England who is skipping the Mayflower II, the goodwill gift of Great Britain to our country. For the fun and good will of it, a cablegram was sent from Tahoe City Rotary to Captain Villiers wishing him well on this voyage which brings back the days of "wooden ships and iron men."

Open Home

Mrs. E. H. Forderhase, a longtime summer resident of Lake View Drive, has opened her home again across from the G. E. Bosens. Mrs. Forderhase had a bad experience on her way up from Marysville. Just below the Squaw Valley road she went off on to the shoulder and her car crumpled up against a tree. Fortunately she was only bruised and seems none the worse for the accident. As she says, she has all summer to get over it.

Service Change

Mr. Charles Beardsley announces that the Community Church services will be changed from 11 a.m. to vesper services at 5 p.m. In spite of a busy schedule which includes courses for a master's degree in philosophy at the College of the Pacific, Beardsley will continue as lay reader for the services. In the last week of June, Bishop Noel Porter will open the chapel just out of town at which time the Community Church will join with those services. Beardsley reports that many people, both local and summer-time, have volunteered gifts of work and time and money in order to build a year around chapel here. "It is hoped that plans for this building can be well underway so that they can be presented to the bishop upon his arrival in late June," says Beardsley. If enough people are interested Beardsley will organize a choir. He is excellently qualified for this because he has been trained in music and has taught at Piedmont high and the University of California. His wife is at present taking graduate work in organ at the College of the Pacific.

Has Chickenpox

Dick Neilsen is doing his reluctant part to swell the chickenpox population. He broke out Saturday just in time to miss the little league baseball which Ernie Marier is organizing for the boys of Tahoe Lake school. There will be time to join up this week and next and practice will go ahead for all season.

From Louisiana

Mr. and Mrs. Wm. C. Larsen and their children, Stephen, Eric and Martha have moved this week from Alexandria, Louisiana. Mr. Larsen is recently retired from the army and they plan to make this their home on Cedar.

At Tahoe

Bob and Jackie Campbell and the children, Chad and Carolee, came up from their Reno home to check on things in Tahoe. They will return to stay, of course, when school closes for the summer.

Two Wrecks

Have just learned that the Y. F. Balls who live just below Mrs. Forderhase, had two accidents on their way from Death Valley to their summer home here. First their trailerhouse was wrecked shortly outside of Death Valley and then the car was demolished

Tahoe Items

Mrs. M. C. Hart arrived from San Jose to greet her Tahoe Vista neighbors for the season.

Mr. and Mrs. J. P. Obexer who have been at Lincoln are now at Homewood.

H. C. Eckles wrote that he was leaving Santa Cruz for Tahama.

near Lone Pine. Neither Mr. nor Mrs. Ball was seriously hurt.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY
Kindergarten: we were sorry to

have Mark Salomon leave our class this week. He will be enrolled in a private school in Benicia.
Jonathan McLane was the honoree of this week's birthday party. His sister Margaret was his guest on that day.
First Grade: In a review arithmetic test the following people received 100 percent: Chris Kumble,

Phillip Ridsen, Wilbur Glenn, Diane Daly, Henry Frates, Judy Ingals, Bill Rose, Michael Borden and David Higgins.
We saw a movie on circus animals, then drew pictures of the animals. Some good pictures were done by Jennifer O'Bear, Gary Albin, Keith Saunders, Michael Davis, Michelle Harris, Susan Schuler and Henry Frates.
First Grade: Everyone in our room worked very hard to make our "open house night" a big success.

Linda Russell, Chad Saloman, Karin Meixner, Pamela Horman, Michael Kydd and Delgin Johnston worked on our "Home and Family" mural.
Bruce Ayala, Marion Ayala, Rosa Pinedo, Bobby Goldsmith, Dicky Daniels, Randee Reese, and Diane Patterson had their work on our handwriting display board.
Tommy Roma, John McGlade, John Gholson, Barry Waters, Jerry Neugebauer, Johnny Clark and Kenny Brethauer displayed papers in number work.

Second Grade: Bill Waters and Frances Barrett each read a story to the class.
Gail Englehart, Susie Olano, Timmy McLane, Donny Whiteneck, Mary Ann Moore, Frances Barrett, Jack Melugin, Darlene Doolittle, Kathy Braasch, Gary Waters, Bill Waters, Karen Hedlund, Len Vind, Rhonda Manley, Gary Kehm, Sandy Miller, Bruce King, Cathy Braley and Victoria Thornstrand have finished the State Series Readers.

Third Grade: Open house created a great deal of excitement in third grade. Our entry in the "My Public School Poster Contest" drawn by Betty Saarni, won first prize.
New monitors for the month of

May are: Zed Kirkpatrick, paper; Cheri Tudor and Walter Dallas, board; Diana Pankoke and Courtney Lewis, books; Gilbert Hernandez, autoharp; and Randy Russell and Charles Hintz, clean-up.

Fourth Grade: Compliments of the week go to Marcia Leamon and Judy McGinn, the young ladies who greeted all the guests attending open house earlier in the week. Our many thanks to Mrs. Hilda Hintz whose story and presentation about the meteorite found on Donner Summit provided us with thoughts about the future.

Eddie King, Eric Thornstrand and Mike Harris are three boys using the new basketball equipment to full advantage. Likely "featherweight" contenders of the day are Jimmy Roth, Greg York, Mike Harris and Gary Jensen. Judges and referees could easily be Marcia Leamon, Judy McGinn, Donna Haune, Peggy Berger or Wilana Curran.

Outstanding work on the animal information chart was done by Wade Mosby, Gloria Boyer, Marcia Leamon, Judy McGinn, Danny Garcia, Peggy Berger, Garry Sturcke, Donna Haune, Eddie King, Linda Banyard and Eric Thornstrand.

Jimmy Roth and Teddy Daniels took care of the lung program assignment.

Fifth Grade: At sharing time this week, Donald Brown reported on the Scout-o-Rama at Auburn last weekend and Robby Kaspian told about his trip to San Francisco and Fresno.

Those on the honor list in spelling this week were Zeke Romo, Leonard Hensley, Carolina Urbina, Maria Marin, Susanna Sciutto, Lelani Braasch, Liane Kay, Bruce Strickler, Ronald Brown and Karey Kielhofer.

We have just elected new officers and monitors. They are: President, Sheryl Swauger; vice president, Danny Worsham; secretary-treasurer, Diane Kaspian; telephone, Ginger Barnes; lunch count, Gene McGinn; lunch cards, Janice Eaton.

TAHOE LAKE SCHOOL
First and Second Grade: We have spent the greater part of this week preparing to be good host and hostess at our open house.

The first grade is going to have an exhibit on their tables showing how we used our sticks to help us "see" combinations.

Some of our original stories especially those written by Darlinda Stark, Rosemary Wray, Jon Caulkett and Jimmy Sergi were very well written.

Fifth and Sixth Grade: The fifth and sixth graders wish to thank all parents and friends for attending the class open house on May 1.

Howard Cincotta's story account of the beginning of the world through to the event of the atomic bomb received much favorable comment from the parents. We are proud of Mike Marvin's very clever picture and word illustration of the story, "Salt for Money."

DONNER TRAIL SCHOOL
Mr. Bailey's class is planning to take a Saturday hike later in the month.

For open house we ran off a wire recording of some of our class recitation for the parents. Afterward a film illustrating the value of an audio-visual program in the public schools was shown. Refreshments concluded the evening's activities.

On May 16 the Community Club will have a money raising drive for the scholarship fund. Major features will be an auction of various items left at the lodges during the ski season.

KINGS BEACH SCHOOL
Kindergarten and First Grade: Tommy Barnum is back with his kindergarten classmates after being in Sacramento since December. With Tommy's return, our class enrollment is now at 37.

THANKS

For the fine support given my candidacy at the election of the Truckee Public Utility District, I wish to thank the voters. I shall attempt to justify the confidence placed in me as a Director of the District and will serve the best interests of the community.

TIDEWATER OIL COMPANY

SEWER EXTENTION AT TAHOE STUDIED

TAHOE CITY—Directors of the Tahoe City Public Utility District brought up for consideration the extension of sanitary sewer service to two new separate areas and a proposal to require forest service land for the disposal of effluent from the sewage treatment plant, at a meeting on May 1.

Residents of Fairway Drive have petitioned for extension of sewer collection lines to serve them and the directors voted to hire a sanitary engineer to make a preliminary survey to determine the cost. The street with 25 lots on which 19 have dwelling places lies within the limits of the PUD.

Northeast of Tahoe City, residents of two subdivisions have petitioned for annexation to the district for sanitary sewer service. There are 31 lots with 10 residences here. The people have paid for a preliminary survey made last year and the cost of this project has been estimated at \$30,000.

May 31 has been set as the hearing date for the above petitions. All interested persons may attend at the Community Hall at 7:30 p.m.

It was decided to have a pumping test made on the well drilled last fall near the water storage tanks which are at an elevation of 200 feet above town. The tanks are fed by springs which in recent years have failed to supply sufficient water during the summer and fall months. The well was drilled with the idea to install an automatic pump rather than to use lake water. C. W. Vernon, manager of the district, told the directors that there must be a more dependable supply of water to meet the fast growing needs of an enlarging population. If the well test shows a failure to meet the need with-

Jay Bisio, Mike Cook, Ann Felte, Shari Decker, Greg Pope and Janice Wing are planning a puppet show for the rest of the class.

Bobby Brandt brought a carrot top to school this week. We put it in water, and the top has sprouted about two inches in just a few days.

Several of our boys have recently completed their construction work. Nat Palmer and Jay Bisio finished their battleships and Mike Cook completed his space ship.

Second and Third Grades: Darryl Lausche and Beverly Bergman finished their Mexican figures this week during social studies. The puppet stage and the Mexican puppets were completed by Bruce Templeton, Bruce Draney and Vern Wing.

Wendy Howell made a beautiful May basket for May Day. She filled the basket with flowers she made out of crepe paper.

For open house we wrote letters to our parents so they can see how well we write.

The following children finished their musical (Mexican) instruments: Kenny Kammerer, Paula Martin, Debbie Martin, Cheryl Smith, Kathy Chastain, Carol Lee Corbin, Cathy Rockholm and David Hughes.

NORTH TAHOE

By JUDGE HARRY CHARRISON

What Weather
Today, Friday, was just beautiful, the temperature 58, quite different to 7 a.m. when it was 22 degrees. Imagine on the third of May but with all that it was beautiful, the lake as smooth as glass and as pretty as a picture, especially around Dollar Hill.

Traffic
Well, it would seem as though North Tahoe will get quite a lot of the traffic that will be rerouted from Highway 40, with Mount Rose being open, it will make a wonderful scenic trip for those that otherwise wouldn't get to see it. It should make quite a difference to the resorts, stores, and casinos in the area besides giving the lake a world of advertising.

Fire Hazard
Yes, the fire hazards are with us again and it behooves all of us to keep our property clear of trash. You can all be members of the Fire Prevention Club by doing that very thing yourselves. Don't rely upon the fire department, they will more than do their part, but it will be up to all of us to protect our homes and lives, keep our homes and forests green and beautiful.

Visiting
Ethel and Harold Schuster of San Leandro were visitors with Andy and Alice Sorensen over the weekend. Loma was up, too. Oh, yes, and Susie Sorensen is up with her sweet little son, Gregory, and I understand will be here for the summer.

Moved House
I see Hershall Hill has moved the house that he purchased next to the Blue Lagoon, once owned by the Frank Hales. You will remember Frank who was the barber here some few years ago, about 12 years ago to be correct. It has been moved just around the corner of Bear street and I am not sure what Hershall is going to do, but you may be sure it will be something worthwhile.

Convention
Joellyn Ashton is in Chicago attending a nurses convention. Delegates from all over the country just crowded into the big Conrad Hilton Hotel which is the headquarters. According to Joellyn, it is the greatest thrill that could come into the lives of these young ladies. She, with another nurse, was elected to represent the Holy Cross Hospital of Salt Lake City. A wonderful honor for her.

Marriage
Now comes the news. Miss Antoinette Adele Street, daughter of Harry and Mrs. Street of Brockway, was married to Virgil Sheldon Jones on April 14 in Sacramento. Toni graduated from the Tahoe-Truckee high and was known for her wonderful ability as an artist both in stage parts and for her beautiful voice. We, that know them, wish for them a very happy and successful life of wedded bliss.

Check Good And Bad
It would be wise to watch what check you cash, as bum ones are flying around like flies. Better to lose a two-dollar sale than cash one that you are not positive of, especially those made out in larger amounts. Every other day complaints are coming into court. Six during the past week.

A Lot Better
Was extremely happy to see Mrs. Bob Tonini at the Crystal Bay a few nights ago. She has been in the hospital and at home for several weeks. We hope the improvement will continue.

Shocked
Friends of R. N. (Dick) Little were deeply shocked to learn of his passing. He was a mild mannered man. Yes a friend to all of those that knew him, an excellent businessman, a fine Lion, and only a few years ago was justice of the peace in Nevada County. He will be missed tremendously in the area which he loved, and the people that loved him. His kindness and generosity will be long remembered.

On The Move
So, Raymond P. Bisio, principal of the Kings Beach school, will not be there after the summer holidays. It is a great disappointment to those who have worked with him and to the young students, too. Ray was especially active with the Boy Scout movement, being district commissioner, and filling in with any part that was to the benefit to the Scout movement in general. Those who worked with Ray wish to extend their thanks.

School Bond Election
Keep in mind bond election on May 17. The enrollment has more than doubled during the past five years. So what will it do in the next like period? You have just one week from this Friday, so do a whole lot of thinking during that week, and then vote to your liking, BUT VOTE.

Be Beautiful
Esther Olinghouse has returned from Palm Springs where she stayed all winter. Her mother, Ada O'Brien, who has been a beautician in Hollywood for a number of years will be helping her at the Beauty Salon at the Biltmore Hotel all summer.

Home Again
The Loren P. Mosiers are back at their home at Crystal Bay, Veran Villa. They have returned from a most glorious trip.

Switch
On the 19th of May, Rev. Wesley Osman and Rev. Earl Langguth will trade pulpits. We are sure this is going to be a treat for both Truckee and Kings Beach. It won't be long now before the summer services will be held in the beautiful outdoors.

Just For A Look Around
Bob and Mrs. Smith, late of the Tahoe Food Center, were up for a day or so last week. They had been east on quite a trip, and were all fresh from their rest.

Birthday
Eddie Moore of TV fame had a birthday last week, and a very happy one, too. Many more, Eddie.

Mass
Remember that the Catholic Churches will hold mass on the lake at Kings Beach, Our Lady of the Lake Church, 11:30 a.m. and at the Corpus Christi Church, Tahoe City at 10 a.m.

Rentals
Sunday noon a delightful day, temperature 60, people coming in pretty fast now. I hear the Monte Carlo is to open the middle of this month and lots of activity at the North Shore Club, and pretty soon at the Cal-Neva Lodge. By the inquiries there is to be a shortage of rentals, and so many are asking for year round places, a good sign for winter business.

Old Friends
Had a letter from the John O'Connors and am told that John had been sick and spent quite a spell in bed, but at last report he was almost himself again.

Fashion Show
Louise Moorish of the North Shore Department Store, put on the model show at the North Tahoe Women's Club, at Crystal Bay Club last week. Ten ladies took part. They were Dulce Brandt, Pat Elliott, Fern Franklin, Marilyn Boatman, Ellen Templeton, Enla De Gregorio, Mae Critchley, Elizabeth Streper, Kay Felte, and Pearl Francis.

KINGS BEACH COMMUNITY METHODIST CHURCH
Earl L. Langguth, pastor.
Sunday school, 9:45 a.m.
Services, 11 a.m.
Woman's Society of Christian Service, Millie Chastain, president, meetings on Wednesday of each week at 1 p.m. at the church.

POPPY SALE TO BE STARTED BY VETS

KINGS BEACH — Veterans of Foreign Wars and the Ladies' Auxiliary, Post 7077, Lake Tahoe, will conduct the annual sale of Buddy Poppies on Saturday, May 25, from 9 a.m. to 6 p.m. The announcement was made by Pearl Moore, publicity chairman.

Members of the post and auxiliary will be on the streets selling Buddy Poppies in all the communities on the north end of Lake Tahoe from Tahoe City to the Crystal Bay. Girl Scouts from Kings Beach will assist the members of the auxiliary in the sales.

Each member will wear V.F.W. and Auxiliary cap or 1957 Buddy Poppy cap. The V.F.W. and Auxiliary are the only organizations authorized to sell in the area.

Report of anyone selling prior to this date can be made by calling Liberty 6-3514. Assistance from the public is asked in locating the persons unknown who in the past have represented themselves as "Vets." People in Truckee are asked to contact American Legion Commander Lloyd Streeter.

Get more work from heavy-duty engines with RPM DELO Oil

Your engines will spend more time working and less time in the shop if you lubricate regularly with RPM DELO Heavy Duty Lubricating Oil. This specially compounded lubricant resists corrosion, stops formation of harmful deposits, and keeps contaminants dispersed.

Use RPM DELO Heavy Duty Lubricating Oil to reduce wear and extend the low oil-consumption life of both diesel and heavy-duty gasoline engines.

PRICE SURPRISE

-and hit of the year to Drive!

Manufacturer's Suggested Price—
for this
2-Door SPECIAL 6-Passenger Sedan

\$2595⁸³

(Including Delivery and Handling Charges and Federal Excise Taxes)

Transportation charges, state and local taxes, if any, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional.

WE SURE STARTED something when we began showing this price level in our ads.

That opened the eyes of thousands of people to the fact that you can buy a big and beautiful new Buick for hardly more than the price of a smaller car.

But the biggest surprise was yet to come: The discovery of a new kind of driving.

For in this completely changed Buick you have performance, ride, braking and handling like never before.

You boss a new and mighty V8 engine that sends a thrill of pure pleasure right up your spine. It has the "power-pack" built right in—and you don't pay a cent extra for it.

You command instant response from a spectacular new Dynaflo* of such absolute smoothness and split-second obedience that you must try it to believe its wonders.

You have a new surety of control from the powerful new brakes, the precision-balanced new steering, the all-new, full-length torque-tube drive, the new "nested" ride and superb new roadability and the new low center of gravity.

The total experience is something you've never felt before in any other car—even former Buicks.

So go try it. Try the dream car to drive—that's priced to be a dream of a buy. See your Buick dealer today.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Big Thrill's Buick —The most completely changed Buick in history!

TAHOE POSTSCRIPTS

By SWANEE
(Telephone T.C. 316-W)

Am happy to report that Tahoe City is getting a real break this summer, according to Postmaster Oliver Corona. Orders last week from the post office department have been counteracted regarding receiving and distributing mail here for the season. Last week it was announced there would be no summer Sunday, or holiday mail service. As of May 1st Tahoe City residents will have mail distributed to their boxes on Sundays and holidays as in past seasons which runs officially from May 1st to October 1st. Mail will be received in the a.m.'s and dispatched as usual at 5:30, according to Postmaster Corona, on Sundays and holidays. He plans to hire extra help to assist in the added business the local post office will have because Tahoe City is the only office which will operate in this manner here. All other post offices from Crystal Bay to Camp Richardson will have

mail service from Monday morning to Saturday noon.

Mrs. Louise Geier leaves soon for Arcadia where she will enjoy a two-weeks vacation with daughter, Mrs. Charles Bailey, her husband and their two children, Susan and David. Guests at the Geiers' Tahoe Park home this week are Mr. and Mrs. C. B. Edmondson of Peoria, Ill., Mrs. Edmondson being her cousin. They have been visiting in southern California and brought along Mrs. Dorothy Archibald of Glendale, who will accompany Mrs. Geier south when she leaves for her daughter's home.

Mrs. Fern Schluter of Tahoe Park is a patient in Tahoe Forest Hospital in Truckee recuperating from injuries suffered in a fall down the stairs of one of her cabins on Monday of last week as she was preparing for summer occupancy. Her sister, Vivian Nelson of Oakdale, who is visiting her for the summer and assisting in operation of the resort, heard her fall and rushed to her aid. She had fallen backward while ascending the stairs to clean the upstairs bedroom. She was reported improved on Sunday but still having difficul-

ty in walking because of severe pain in her back. Latest word from her beside indicates she will remain for treatment for several days more.

Mrs. Phil Geier of Tahoe Park on Monday sent in her final report to Auburn headquarters of the American Red Cross. The total collected this year was \$672 as compared to last year's total of \$884.

Fishing news of the Lake Tahoe area remains spotty and while some nice big trout have been taken from the lake throughout the winter, nothing spectacular has been reported. So says Waldo Gross of Lake Forest, one of Tahoe's long-time fishing guides. On Sunday he took out Mr. and Mrs. Al Sanford, who came in with seven nice trout, all mackinaw, ranging from three to six pounds.

BRIEFS

Mr. and Mrs. Ralph Sturgis opened their Tahoe Park Grocery for the season on Friday last. They spent part of the winter months in Los Angeles and Carmel.

Mrs. Frank Daft has recovered from the severe cold she has suffered with for the past week.

Miss Barbara Schmidt of Sacramento, superintendent instructor for the Pacific Tel. and Tel. Company, is at the Tahoe City business for two weeks.

Bobbie Sanford spent the weekend at the home of his parents, the Al Sanfords of Town and Country. He attends Junior College at Auburn. His brother, Ronnie and wife have left Las Vegas and are now living in San Francisco where Ronnie is associated with his uncle, Clyde Sanford, in his jewelry and souvenir store.

Mrs. James Haggerty of Hayward joined her husband at Kings Beach for several days last week. They returned home on Sunday.

Mr. and Mrs. Fred Main returned to Tahoe City on Tuesday night last after having wintered at Laguna Beach.

The A. M. Henrys were Reno visitors on Saturday and while there met and talked with Mrs. Helene Spencer, former resident, with her family, of Lake Forest. They left here in 1935 and she has been residing in Reno for some years past. Her husband passed away last year.

Had a nice talk with Jean Palmer of Kings Beach last week, who with husband John, operates two popular sports shops in the Lake Tahoe area. She informed me that because of the mild winter they had opened their shops almost a month early this year and are looking forward to a successful season. The Kings Beach store is lo-

STRICTLY STRICKLAND

By Bill Strickland

Well here we are into the second week in May. Still plenty of snow for skiing, but what with spring weather in the city, people are turning to golf, tennis, swimming, horse-backing, etc. Can't blame them too much, it seems it would be a very pleasant change. We attended the Far West Ski Association convention in San Francisco last week. That spring weather we mentioned was very much in evidence. Around 80 in the city both days, and for S. F. that's pretty warm. F. R. "Tank" Smith of Reno landed the secretary's job among the executive officers; so our northern California area will be well represented. Next year's convention was awarded to Fresno.

And, speaking of Fresno, quite a ski development is being built on the north face of China Peak. That's at the south end of Huntington Lake on State Highway 168. Plans call for a mile long double chair lift with a vertical rise of 1600 feet. The base elevation is 7200 feet so that puts the top of the chair about 8800. China Peak itself is about 9000. The altitude, plus the due north exposure, plus the fact that China Peak is only 64 miles from Fresno will make it one of the most popular ski areas in the state.

A lodge will be built this summer to house 200 guests with complete complement facilities. Should be quite a development.

Donner Summit Lodge was the site of the Tri-Inter City meeting of the Rotary Clubs of Truckee, Nevada City and Grass Valley this past Monday evening. This was the second year that it was held at D.S.L. Alan Bartholomey, executive director of the organizing committee for the Eighth Winter Olympiad was the guest speaker.

cated next to the phone office and is called Riviera Sports Clothes. The other shop is at South Tahoe. Jean manages the South Tahoe shop and her husband is in charge of Kings Beach. The stores are open every day during the busy season, excepting Wednesdays. But they make up for this by remaining open on Sundays for the benefit of vacationists and natives alike.

This year, as they have for the past five seasons, they will specialize in the latest model swim suits, sweaters galore, lamb's wool, cashmeres, woollens and bulky knits, summer dresses and play and beach togs. They invite inspection of their varied selections especially this week, with many gifts available for Mother's Day, this Sunday, May 12.

NOTICE OF APPLICATION TO APPROPRIATE WATER

Application 17415

NOTICE IS HEREBY GIVEN, that Wesley Waddle and Alvin Waddle, Auburn, California, have under the date of January 4, 1957, applied to the State Water Rights Board for a permit to appropriate unappropriated water, subject to vested rights.

Description of Project
Water to be appropriated from an unnamed stream tributary to Martis Creek thence Truckee River. In the County of Nevada.

Amount applied for: 350 acre-feet per annum.
Diversion season named: October 1 of each year to May 31 of the succeeding year.

Water to be used for irrigation, recreational stockwatering and fire protection purposes.

Point of diversion within SW 1/4 of NE 1/4 of Section 16, T17N, R17E, MDB&M.
Place of use described: 280 acres within Sections 17 and 18, T17N, R17E, MDB&M as shown on map

filed with State Water Rights Board.

Relative to Protests
Blanks upon which to submit protests will be supplied free upon request.

Any person desiring to protest against the granting of such permit shall within 60 days from date hereof file with the State Water Rights Board, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the approval of the application and shall contain the following information:
(1) Statement of the injury which would result to protestant from such appropriation and use.
(2) The basis of protestant's water right.
(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.
(4) The approximate location of protestant's land or place of use and point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

SQUAW HOME OWNER OPPOSES SQUABBLE

John M. Reilly, a member of the Squaw Valley Property Owners Association has demanded the resignation of Association President George Rockrise of San Francisco. Reilly, an official with the Carleton Company, charges that Rockrise unwisely involved the association in a dispute between Mr. and Mrs. Wayne Poulsen and the California Olympic Commission over the obtaining of land for the 1960 Winter Olympics. He charges in his letter to Rockrise that the latter is a "rubber stamp" for the Poulsen in the squabble and that Rockrise went beyond his authority in opposing pending legislation which would grant eminent domain to the commission in obtaining the Olympic site. Reilly says he believes the landowners should stay out of the dispute, since only one member of the group is currently involved.

NEVADA MEN OPEN NEW MIXING PLANT

TAHOE CITY—Jack Shevlin and Dan Durbin, both former University of Nevada men at Reno, have purchased the Deer Park Ready-Mix plant from Mr. and Mrs. Jerry Waters and have moved their families to the area. Shevlin will establish his home with his wife and two children at Deer Park and Durbin with his wife and two children will reside at Homewood. Both men are experienced in the work they are undertaking, both previously having been employed with the Ready-Mix Concrete Company of Reno, in the production end of the work. They have been busy overhauling the equipment and four delivery trucks and are preparing for a busy building season. They now have the plant operating and ready to serve customers.

Specifications regarding assignment of the contract; to the requirements of Section 7, article (b), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate	Classification
per hour	Skilled Labor
\$3.095	Asphalt plant engineer
3.00	Carpenter
2.995	Cement finisher (journeyman)
2.705	Concrete mixer operator (up to one yard)
3.035	Concrete mixer operator (over one yard)
3.095	Heavy duty repairman
3.095	Mechanical finisher operator (concrete or asphalt) (highway or street work)
3.255	Operator of power shovel and/or other excavating equipment with shovel type controls (up to and including one yard)
3.425	Operator of power shovel and/or other excavating equipment with shovel type controls (over one yard)
3.00	Painter
3.255	Pile driver man, bridge wharf and dock builder
3.255	Power grader operator (power planer, motor patrol or any type power blade)
3.15	Reinforcing iron worker
2.325	Road oiler
3.095	Roller operator
3.255	Rubber tired heavy duty equipment operator (Tournapull, Jeep, Terra Cobra, La Plante Choate and similar type)
2.705	Screed man
3.095	Tractor operator
3.255	Tractor operator (boom)
3.425	Tractor operator (tandem)
3.255	Tractor-type shovel loader operator (scale not to apply when used as blade or bulldozer)
3.145	Trenching machine operator
2.625	Truck driver (6 cubic yards and less than 8 cubic yards water level)
2.85	Truck driver (8 cubic yards

The minimum wage paid to all skilled labor, for which rates are not shown above shall be not less than \$2.325 per hour.

The minimum wage paid to all intermediate labor, for which rates are not shown above, shall be not less than \$2.325 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall be not less than \$2.325 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans may be seen, and forms of proposal, bond, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

GIRL SCOUT LEADERS MEET TO MAP PLANS

A group of regional and local Girl Scout leaders met last Thursday for the purpose of determining services to this area by the Sierra Nevada Girl Scout Council.

Attending the meeting were Mrs. Stewart Walter, president of the council; Mrs. B. M. Zimmerman, regional committee member of Region XII; Miss Grace Donehower, executive director of the council; Miss Margaret Wales, national field staff member and the local Girl Scout finance committee; Lee Apple, Z. D. Rose and George Betten-court; and Mrs. Dave Rose, temporary steering committee chairman.

It was determined that there would be limited services provided to the area from June 1st to December 31st. These would include receipt of the monthly bulletin by all registered Girl Scout adult volunteers, professional and volunteer services at four community meetings held for the purpose of assisting those troops already organized and helping to organize other troops, professional and volunteer assistance in planning this fall's fund raising campaign in preparation for full participation in the Sierra Nevada Girl Scout Council commencing January 1st.

The first of the four community meetings for all adults interested in Girl Scouting for girls aged 7 to 17 years will be held in September. The time and place will be announced in the Sierra Sun.

DEPARTED MEMBERS OF CLUB HONORED

TAHOE CITY—Twenty-nine members of the Women's Club of Tahoe met at the Tahoe Inn Thursday to honor 42 members who have died during the 30-year life of the club and to elect officers for the coming year.

Mrs. Howard Guth conducted the lovely traditional candle ceremony as a memorial to the departed members.

Mrs. Don Snyder was elected to serve a second year as president. Other officers for the 1957-58 term are: Vice president, Mrs. Jay Shontz; recording secretary, Mrs. Richard Clarke; corresponding secretary, Mrs. Ernest Le Pire; and treasurer, Mrs. George Caulkett. Mrs. Phil Geier and Mrs. Howard Guth were appointed chairmen of the standing committees of Community Achievement and the Sunshine Fund. Mrs. A. A. Snyder was appointed parliamentarian and Mrs. Jim Martin and Mrs. Marshall Ruhkala are board members at large.

Plans were completed and invitation issued for the thirtieth anniversary to be held May 23 at the home of Mrs. N. R. Mayfield.

Summer plans have been made and are reported by President Mrs. Don Snyder to be as follows: The June meeting will be a fashion show at the Crystal Bay Club. In July the women will entertain the Girl Scouts and the Brownies with a picnic at the Lake Forest home of Mrs. A. A. Snyder. The August meeting will be a luncheon meeting at the Trade Winds in Kings Beach. In September the women will hold their annual picnic for the veterans in the Reno Hospital again at the home of Mrs. A. A. Snyder.

Ways and means committee chairmen and members have been appointed for their two-month terms. The Mesdames G. W. Mortimer, Merle Rose, and Fern Schleuter will service for the months of August and September. Mrs. Bill Hunter, Ruth Lee, and Mrs. Bill Wilt will be in charge for October and November.

The date for a general bazaar was set for Saturday, June 29 in the Community Hall from 10 a.m. to 4 p.m. Mrs. A. A. Snyder is chairman of this bazaar committee and will be assisted by Mrs. Phil Geier, Mrs. Richard Taylor, Mrs. Bertel Anderson, Mrs. Ivan Wilson, Mrs. George Selkirk, Mrs. Bob Watson and Mrs. Ernie LePire.

Hellers Better—

Charles Heller returned home from Tahoe Forest Hospital on Tuesday and Mrs. Heller who was at home for several days with a heavy cold is also improved in health.

CHURCH NOTES

Community Methodist, Truckee
Wesley H. Osman, Pastor
Sunday School and Church: Sunday school for those in nursery through the adult class are invited to come at 9:45 a.m. The church service begins at 11 a.m. This Sunday Mothers Day will be observed.

Summer Camp

This Sunday evening during the regular program there will be an explanation of the entire summer camp program in the Methodist Church. There are opportunities from June 22 to September 8 and for 4th graders next year and up to and including adults. All those interested are asked to come at 5:30 Sunday evening. A special service honoring mothers will be given by the young people.

Annual Meeting: Next week the fourth quarterly conference, a meet of all members and constituents will take place in the basement of the church with a pot luck supper on Friday, May 17.

The Rev. Douglas Evans, district superintendent, will preside.

SIERRA SUN ADS PAY!

FATHERS, SONS AND DAUGHTERS MEET

KINGS BEACH—The annual fathers', sons' and daughters' night of the Rotary Club of Brockway was held Monday night at Crystal Bay Club with President Pappy Brooks presiding. After dinner, the meeting was turned over to acting program chairman Wiley Jones, who introduced Jack Flanagan and Marston Burdick, Reno beer distributors.

The guests brought with them a film entitled Highlights of Sports for 1956, which was enjoyed by all.

All members of the club are expected to attend the district conference on Sunday evening, May 12 at South Lake Tahoe. This Sunday night's meeting will replace the regular meeting form Monday. All ladies of Rotary are invited to be present at the conference.

In City—

Mrs. Lauren Russell returned from San Francisco where she visited with her father, Arthur LeCuyer, who is in the Southern Pacific Hospital. Mrs. LeCuyer, who had been here, accompanied Mrs. Russell to the city, to be near her husband.

OPEN HOUSE HELD IN SCHOOLS OF DISTRICT

Tahoe-Truckee High School was host Thursday, May 2, to scores of visitors who participated in our annual Public Schools Week reception and open house.

Faculty members were on hand to welcome the visitors and assist them on tours of inspection of the high school facilities.

A program in the cafeteria was presented as follows:

Salute to the flag.

Junior band, march.

"My Place in the World of 1976," a prize winning public speaking contest speech by Linda Loynd.

Presentation of essay award by Robert Critchley, junior past master of Masonic Lodge.

"My Place in the World of 1976," by Bob Williams.

Junior band, waltz.

Refreshments.

On Wednesday evening an open house reception was held at the Truckee elementary school where fourth graders Judy McGinn and Marcia Leamon were hostesses. Faculty members and selected students conducted the visitors on a

To Bishop—

Mr. and Mrs. William Stevenson were Bishop visitors earlier this week.

tour of the school and later refreshments were served.

A welcome addition to our district are young Mr. and Mrs. Fred Wofford who have come back from Fresno and have bought a house at Crystal Bay, where they plan to become permanent residents.
